SOKKIA

PRODUCT UPDATE

Release Date : 03 Nov 2008

SOKKIA GSR Family Config Tool for Allegro V8.4.2 is Available

SOKKIA is pleased to announce that an update is available for the **GSR Family Config Tool (V8.4.2)**, formerly known as GSR2700 IS/ISX Config Tool, for use with the Allegro CX™ data collection platform. The new version includes enhancements for the GSR2700 IS, GSR2700 ISX and the GSR1700 CSX.

GSR Family Config Tool V8.4.2 Features:

• Added support for the GSR1700 CSX

• Enables use/upload of different user applications for the GSR2700 ISX

• Help button support in the application
